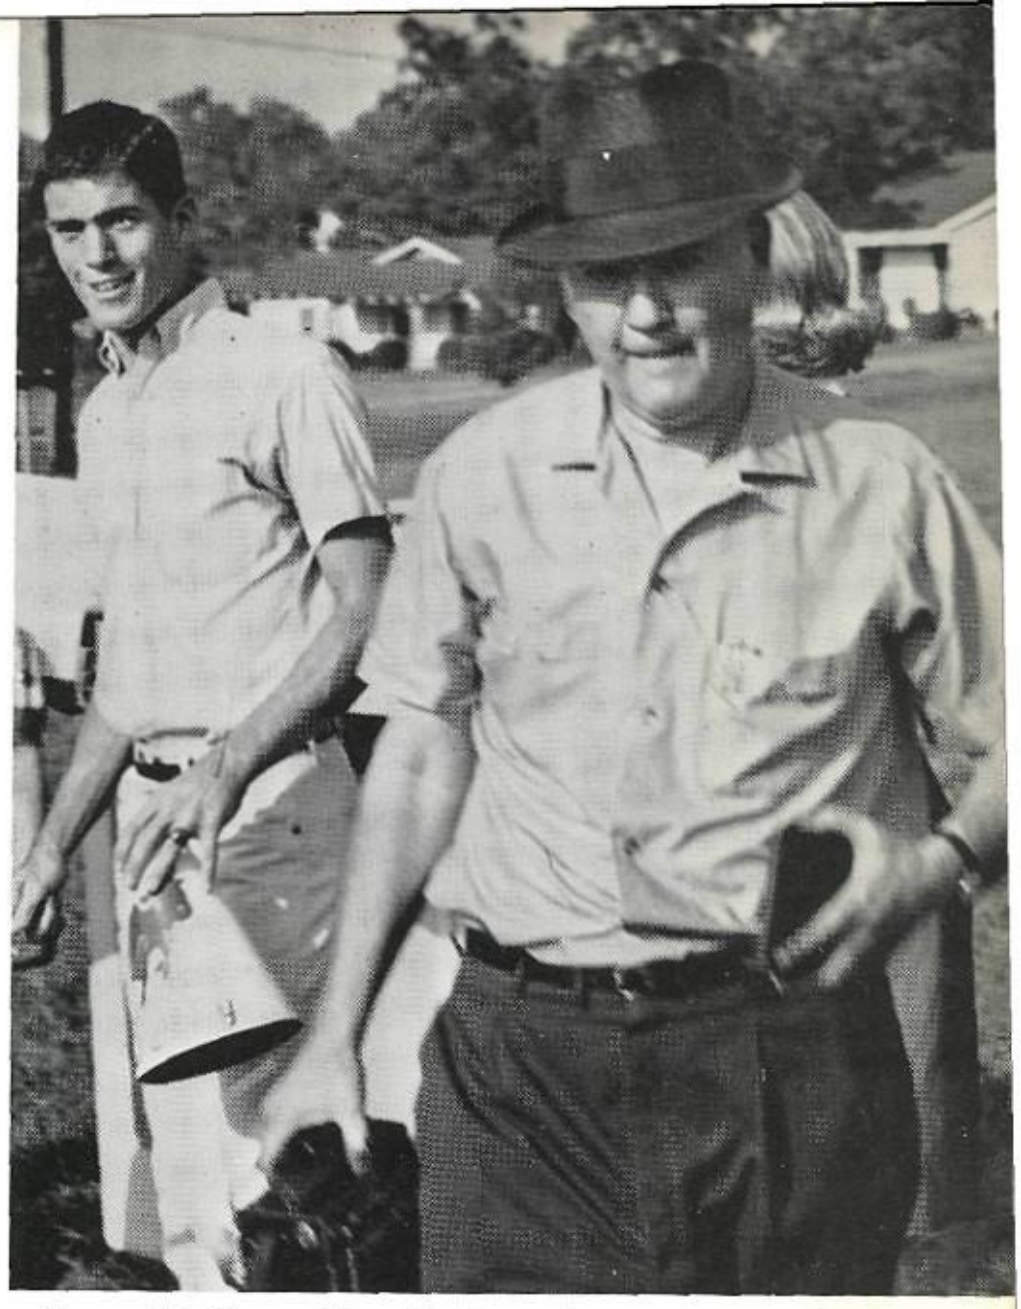
With Pleasure.

A Time to Give Thanks to One . . .

Going up in a maintenance bucket is one of the many things Mr. Barnes willingly does on request of the staff to get a picture. Although he is not always pleased with the plans, he has never said "No."

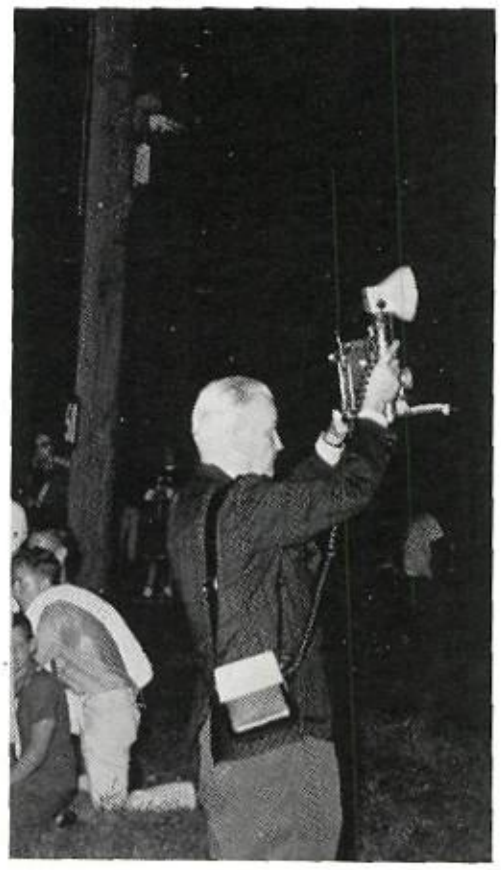
Words cannot express the feelings of everyone, past and present, toward a man who has given MHS'rs a memorable and unforgettable past during their high school days. With his camera in his hand and his knowledge of photography, Mr. Barnes sets out to take pictures from a boat, a roof of a hotel, a maintenance bucket, and other fantastic places. With his time and effort, the past *Mavericks* have been possible.

With thankful hearts, we, the 1965 staff and the past staffs with whom you have worked diligently and graciously for the past eighteen years, dedicate the *Maverick* 1965 to Mr. Julian Barnes.

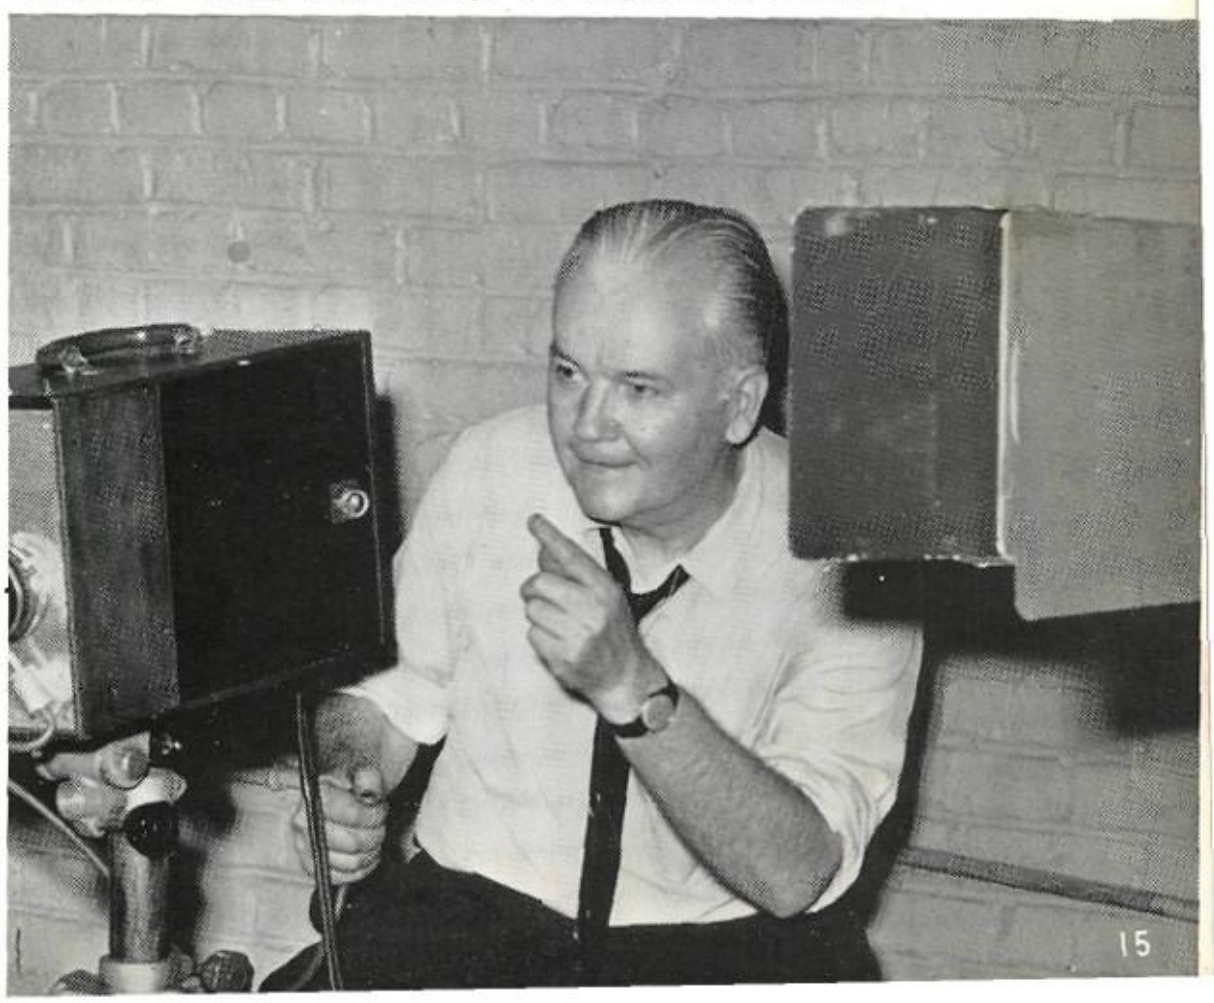


Above: Mr. Barnes bites his lip as he starts to get into the maintenance bucket.

Mr. Barnes attends many of the games where he captures many action shots.



Below: "Tilt your head a little this way. Now, right there." Working diligently all day, Mr. Barnes takes about one-half of the class pictures while Mr. Foster takes the remaining half. At the end of the long day, the task is completed—or is it? There being retakes to be made in several weeks, Mr. Barnes willingly smiles and says "I'll see you in a few weeks."



Who Has Captured an

Alma Mater

Marshall High School, hail to thee!
Stalwart, brave, and true
In love we pledge our loyalty,
And faith we have in you.

For red and white shall wave on high
In strength and purity—
To honor you we'll ever try
Throughout eternity.

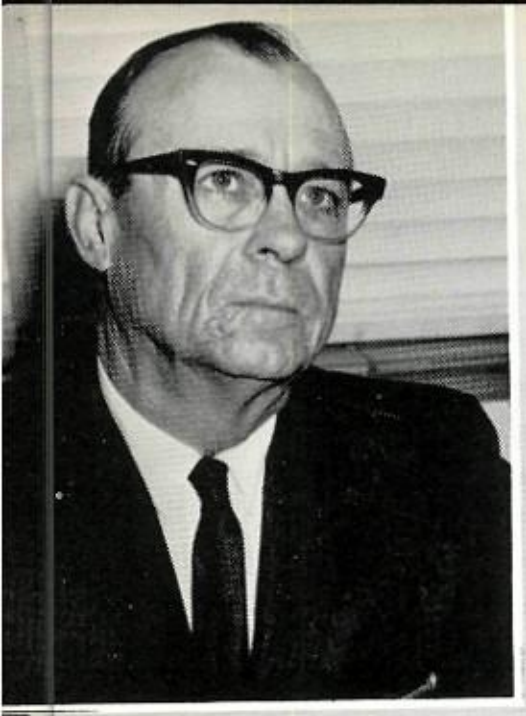
The Marshall School Board Works



Mr. Willard Coker,
President

for Improvement

THE MARSHALL PUBLIC SCHOOL BOARD

The Marshall Public School Board deserves a Texas-size thanks for their efforts in the improvement of Marshall High this year! Everyone agrees that studying is easier in the renovated rooms. The plans have been made into reality by the persistence of the School Board, and every Maverick deeply appreciates the efforts of the School Board and of anyone else who has worked toward this improvement. The School Board consists of Mr. Von Rhea Beane, School Superintendent, Mr. Willard Coker, President, Mr. Don Rives, Mrs. Albert Agnor, Mr. Ray Lawson, Dr. Philip Crayton, Mr. Joe Hirsch, and Mr. Ernest Marshall.

Superintendent and Assistants Lead Our Developing School District

Under the direction of Mr. Von Rhea Beane, the Marshall Public School System has grown more efficient and more productive. Mr. Beane, a native of Hunt County, Texas, was born January 3, 1916. After graduating from Greenville High School, he attended East Texas State College where he received a BA Degree. Mr. Beane also holds an MA Degree from Southern Methodist University. Mr. Beane has been principal of schools in Lampasas, Waco, and Texarkana, and Superintendent of Schools in Mineola, Texas.

Active in many clubs, Mr. Beane never ceases to deny his services to the community. He is a member of the Chamber of Commerce, the Harrison County Community Chest, the Marshall Civic Symphony, and the Harrison County Mental Health Society. He is also a Rotarian, a Mason, a member of the Marshall Council of Camp Fire Girls, and the Harrison County Crippled Children's School. Mr. Beane is a member of the First Baptist Church.

Assisting Mr. Beane in his duties as Superintendent is Miss Emma Mae Brotze and Her secretary, Miss Joyce Friend.

Principal and Assistant Direct Students in House of Education

Always interested in the students of Marshall High School, Mr. Roark is a public-minded citizen of Marshall. He is always willing to lend a helping hand to those in need of assistance. Mr. Roark was born in Bailey, Texas, on October 29, 1907. He graduated from Leonard High School and later earned his BA degree from Howard Payne College and his MA degree from East Texas State College. Before coming to Marshall, he served as teacher and principal in Brady, Texas. Prior to becoming principal of MHS, he was principal of Robert E. Lee elementary school. Mr. Roark is a member of the Lions Club, the Chamber of Commerce, TSTA, the National Education Association, the State and National Organization of Secondary Principals, and serves as chairman of the Official Board of the First Methodist Church.

Serving as Assistant Principal, Mr. Bill Atwell carries on his various duties with great efficiency. Mr. Atwell assists Mr. Roark, executes general business in and around the high school, and serves as counselor to the pupils. He holds a BA degree from Henderson State Teachers College, and is a member of the TSTA and the National Association of Biology Teachers. Serving as an active member of the US Army Reserve, Mr. Atwell enjoys fishing, photography, swimming, and enjoying his two sons, Stephen and Stuart.

MR. RUSSELL MURPHY, DIRECTOR OF PUPIL SERVICES
and Mrs. Elaine Nesbitt, his secretary

Working for All of MHS

Seeing that Marshall High and its business run smoothly and efficiently are Mrs. Eleanor Richardson and Mrs. Frances Henderson. Both are willing to assist the many students who need their help, but most of their time is spent in aiding Mr. Roark and Mr. Atwell in the pressing work of MHS.

A great help to Mrs. Richardson and Mrs. Henderson are the student office workers who give up a study period to assist in the office.

THESE ARE THE SIX people who "run their legs off" first, second, and third periods, doing the many jobs around the office. They pick up attendance slips, and other notices, run errands, and just do about anything that they have time to do in the hour's span. These busy students are from left to right: Dale Brown, Susan Green, Judy Leslie, Kay Briggs, Barbara Hines, and Rosalyn Lea. They don't make 'em much better.

OF COURSE, WE can't leave out fourth, fifth, and sixth periods so we need some afternoon office workers, and it looks like we got 'em! The last three periods of the day are some of the busiest times as far as the office goes. So these girls are as busy as the other workers. From left to right are; Debbie Taylor, Evelyn Elliott, Stephanie Elkins, Glenda Robinson, Kay Henderson, and Martha Carter.

WOW! MR. ATWELL surely does have a good day every day of the year with these six good-looking and efficient girls assisting him. But naturally they are there for work and not for fun. Aiding the assistant principal in any possible way is their main concern. From left to right are: Sherry Sanders, Nancy Morris, Gail Dauphin, Glenda Thomas, Kay Helen Mock, and Kay Saxon.

Employees Increase Efficiency

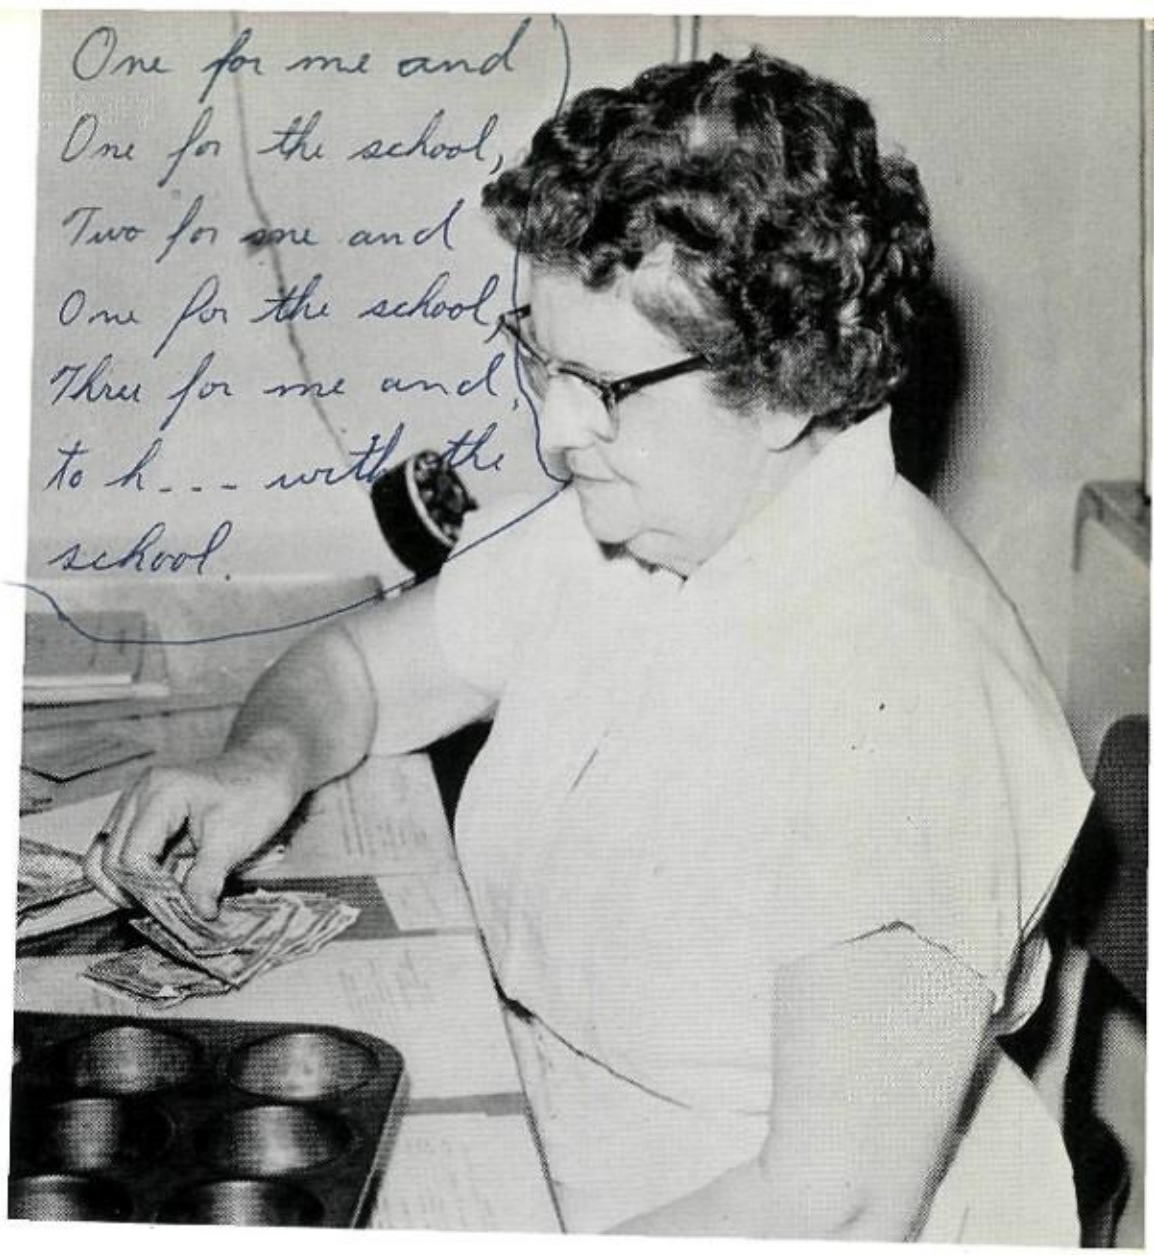
Right: MR. J. T. RAY relaxes for a brief time during his very busy schedule. "Coach" Ray, as he is called by most everyone at MHS, acts as the visiting teacher. Successful in working with teenagers, he keeps a fifth and sixth period study hall. Coach Ray is a great sports enthusiast and claims three athletic sons in Marshall Senior High School.

Below: IN HIS NEW CAPACITY, Dub Wooten is working in the Administration office. He also supervises the maintenance department which sees to the up-keep of the building. He is aided by Mrs. Emery Newman who keeps the files and records.

Above Center: WORKING IN THE SUPERINTENDENT'S office this year are Mrs. Althea Leslie and Mrs. Ruth Lindsay. They efficiently help in the business administration department. All records and files are handled through this office of which these two ladies are an important asset.

Right: EFFICIENTLY ASSISTING Mrs. Polkinghorn in the cafeteria are the following MHS students: Belinda Nowlin, Tommy Soape, Clyde Westbrook, Marie Thomas, Glenda Burr, Vesta Sue Thomas, Mike Brantley, Emil Morin, Eddie McBride, Allen Parker, and Mr. Ross who keeps things moving in the "hamburger line."

at M.H.S. . . .



LEADING THE CAFETERIA STAFF is Mrs. J. R. Polkinghorn, MHS's proficient dietician. Endeavoring to produce fine and tasty meals, Mrs. Polkinghorn provides MHS students with delicious school lunches.

THE PRIMARY AIM of the Distributive Education Club of Marshall High School is to develop a high degree of leadership and citizenship in the students of today, who are destined to take their place as tomorrow's leaders in the distributive businesses. Here Paul Davis, John Wyatt, Betty Rowe, and Judy Daniel are discussing business ideas and promotions. By working in the afternoon these students gain a knowledge of the business world which awaits them.

Stimulates Interest in Vocations

ANNUALLY A STATE Youth Leadership Conference is held for distributive education students. As one of many meetings for these young adults, this conference is conducted to exchange ideas, meet fellow members, and return to respective towns better-equipped to enter the business world. This year delegates to the convention in Houston, March 5 and 6, are Mike Baker, Morris Jones, Mike Emery, and Jesse Jeter. Not pictured and attending the state meet is Danny Thomason.

WITH THE ARRIVAL OF THE INDIVIDUAL SCHOOL PICTURES, the members of the 1965 Maverick Staff face a "Texas-size" task in sorting, labeling, distributing and selling the twelve-hundred envelopes of pictures. The class section taking up over one-third of the MAVERICK requires a great deal of time—from snapping the pictures in September to planning the pages through December. Of course this challenge is not the only one these nine members and a sponsor encounter during the process of one book.

Cheerleaders Boost Mav Spirit and Enthusiasm

Connie Roe, MHS's only Sophomore Cheerleader, is a well-liked, vivacious blonde who has served the Mavs well this school year.

Suzanne Scott, a junior, is a pert cheerleader with a pretty voice. Suzanne has been a cheerleader before in junior high, and is experienced in leading yells.

Marian Wright, senior, loves serving her school as Mav cheerleader. Marian attended cheerleader camp with the other cheerleaders in Dallas this summer.

CHEERLEADERS:

Dale York

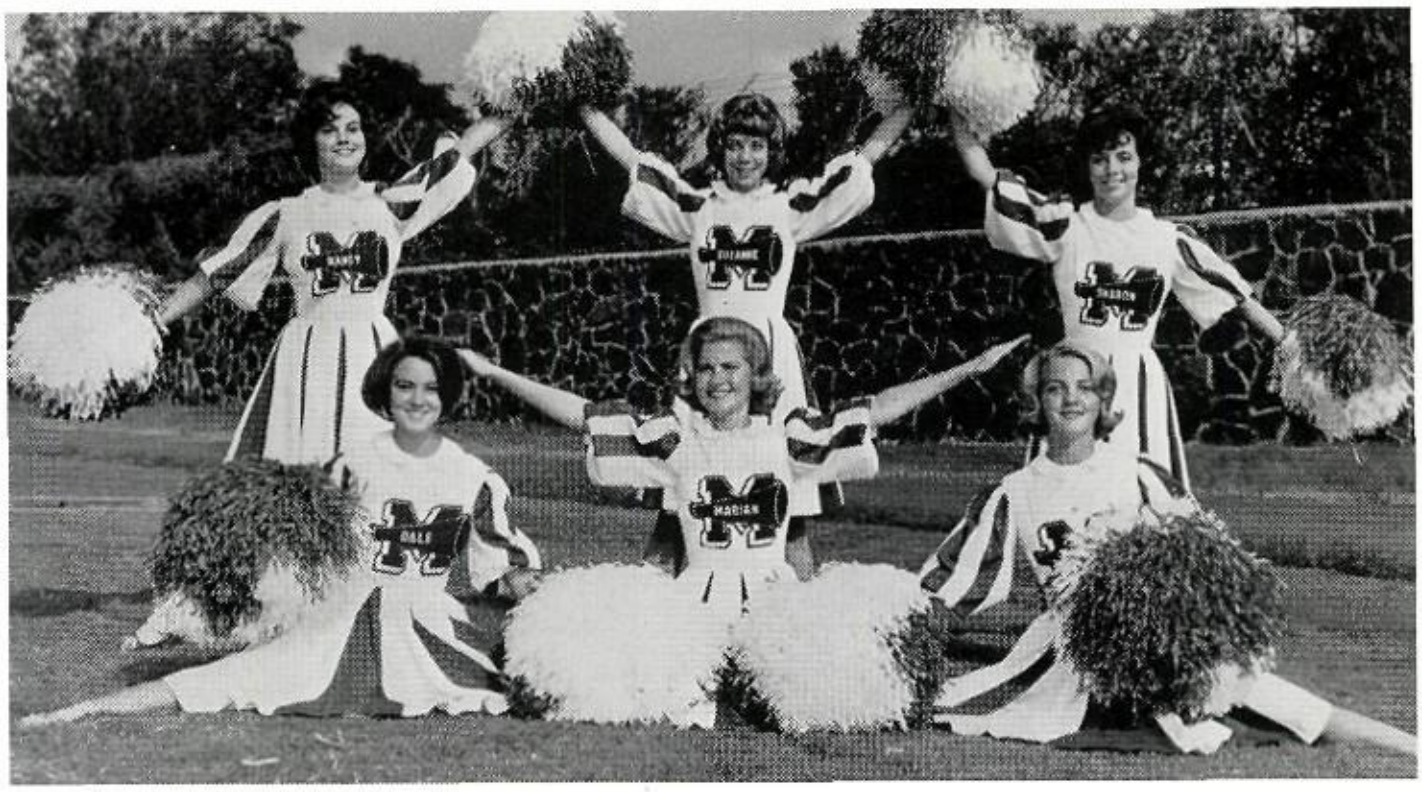
Marian Wright

Connie Roe

Nancy Morris

Suzanne Scott

Sharon Wright



Dale York, first-year veteran as MHS cheerleader, is a pert, energetic Senior. Dale attended a cheerleaders' camp in Dallas this summer with the other cheerleaders.

Sharon Wright, popular Senior, has given service to the school in many varied ways. This is Sharon's third year as a cheerleader for MHS.

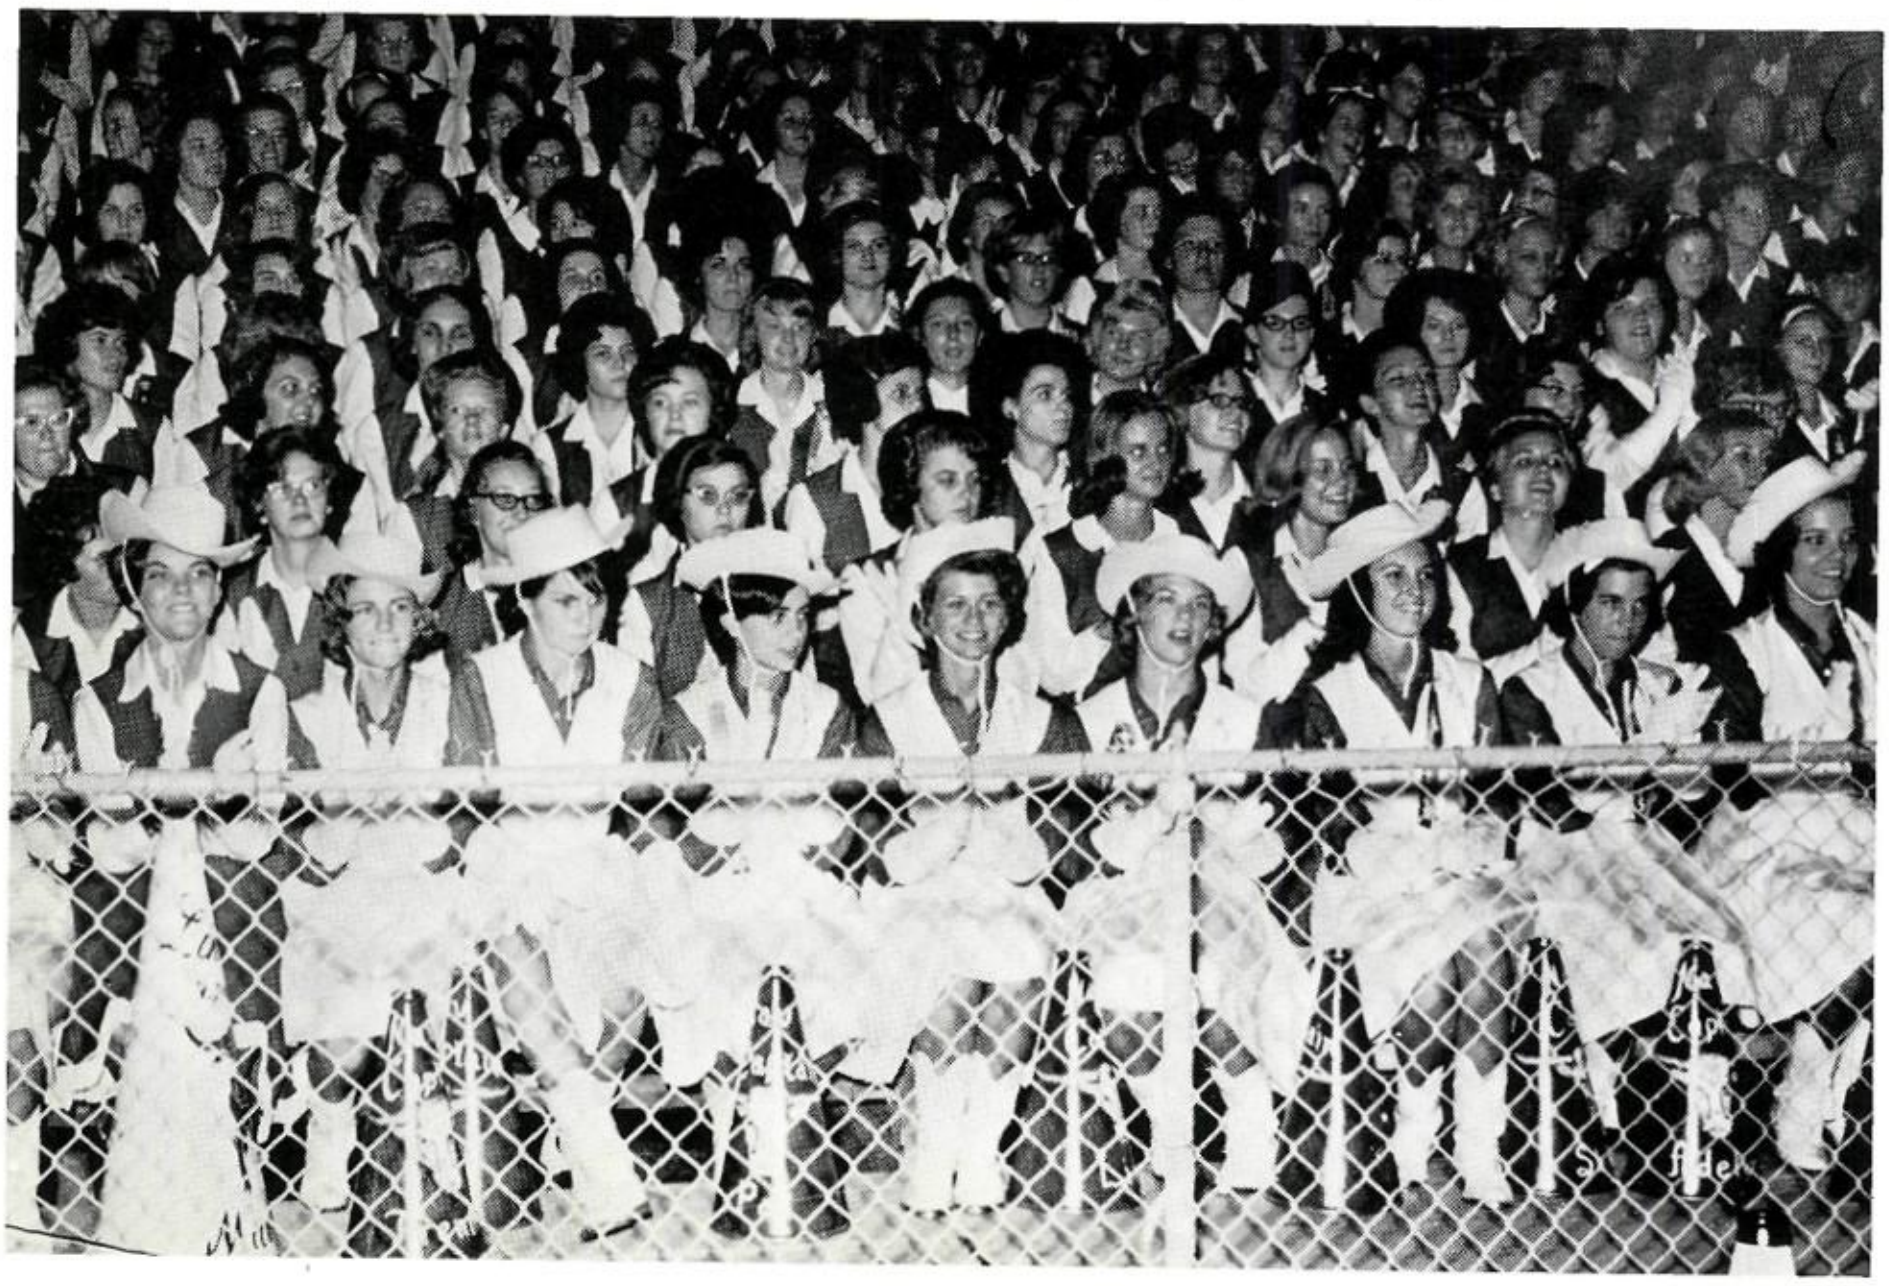
Nancy Morris, head cheerleader, is a personality-plus Senior who is leading the Mavs this year for the second year.

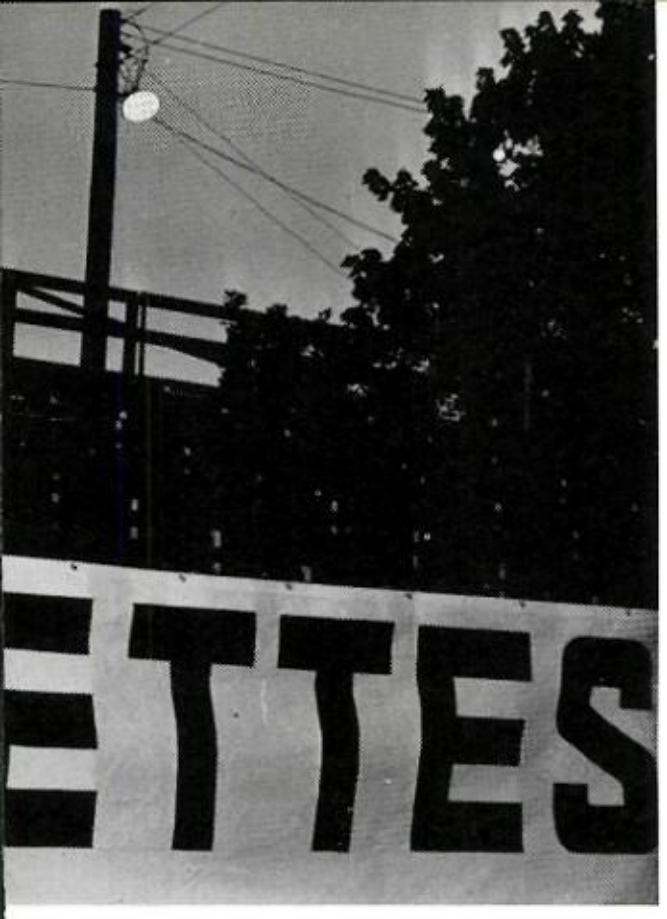
MRS. ADELE HARRIS is serving her third year as the Mavette sponsor and advisor. With her help the Mavettes have grown in spirit and size.

A NEW ADDITION to the Mavettes this year is this red and white banner. Martha Scott and Barbara Newman finish the placement of the banner before the Mavettes enter the stands.

The 1964 Mavettes Begin

WITH THIS GROUP behind the team how can they do anything but win the game?





Upper Right: EACH WEEK THE MAVETTE BOARD is composed of different officers and captains. Discussing the use of Maverick banners are Linda Mason, Linda Kay, Connie Roe, Susan Huffman, Martha Scott, Pat Jennings, and Mrs. Harris.

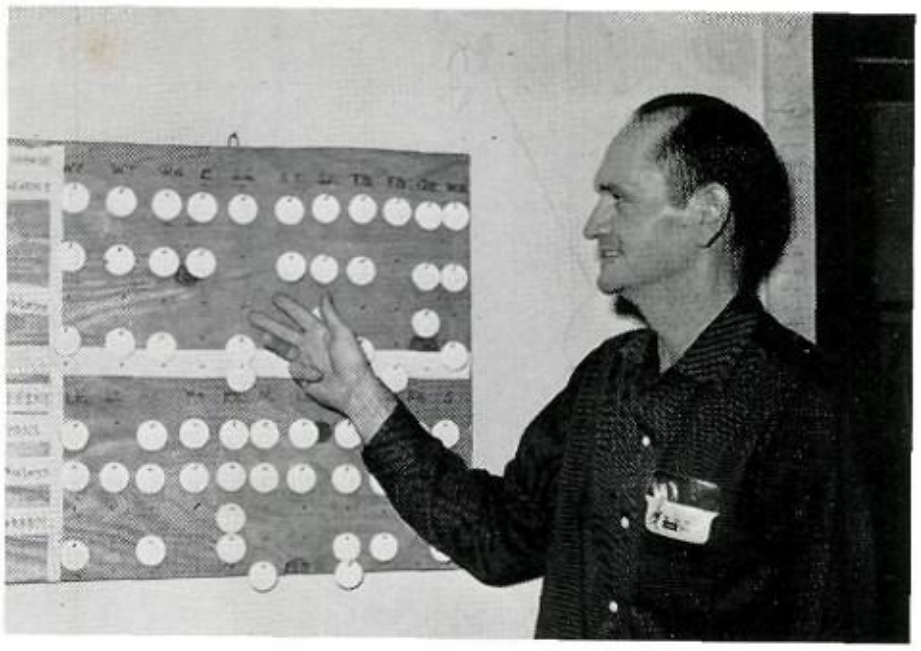
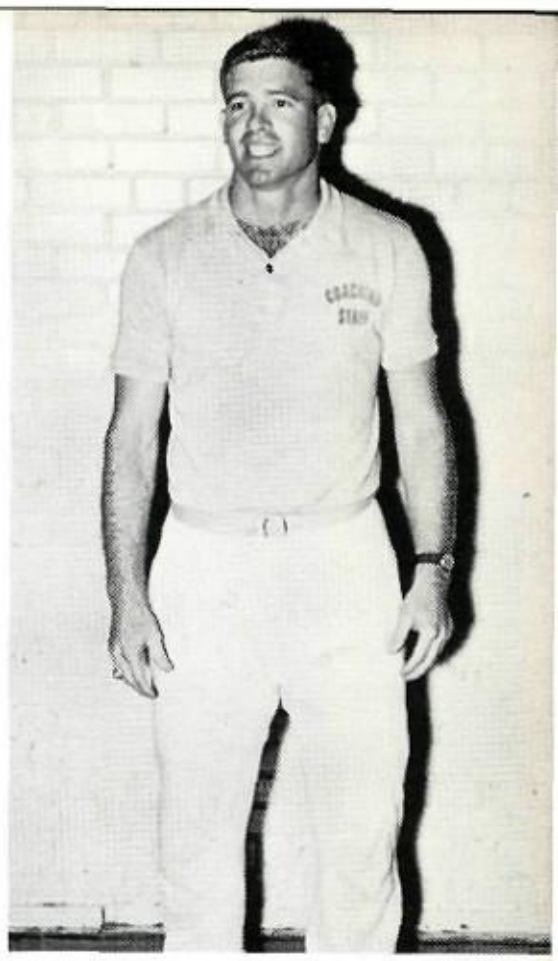
Maverick Coaches '64–'65

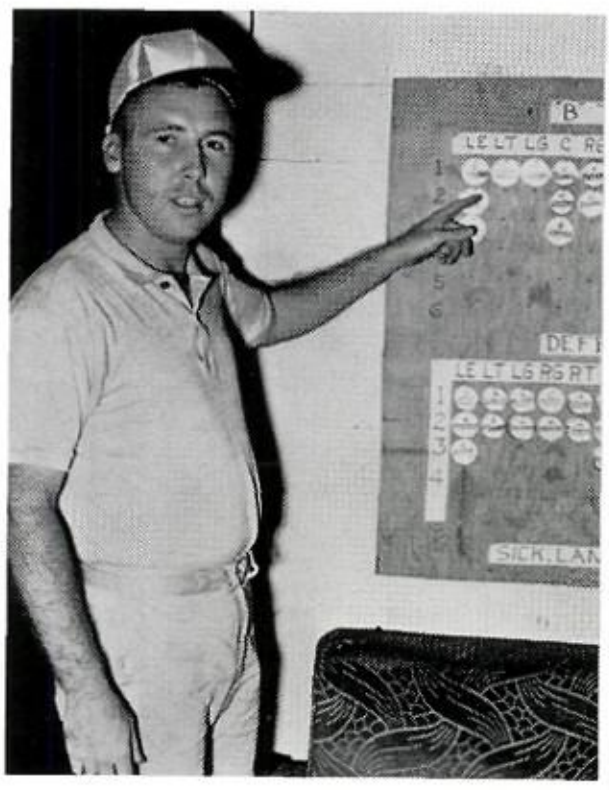


Ninth grade Coach, Wade McNatt, inspired his Rustlers to a very successful season this year. His superb coaching has and will continue to provide the varsity with good material. Coach McNatt holds a B.S. degree from East Texas State College.



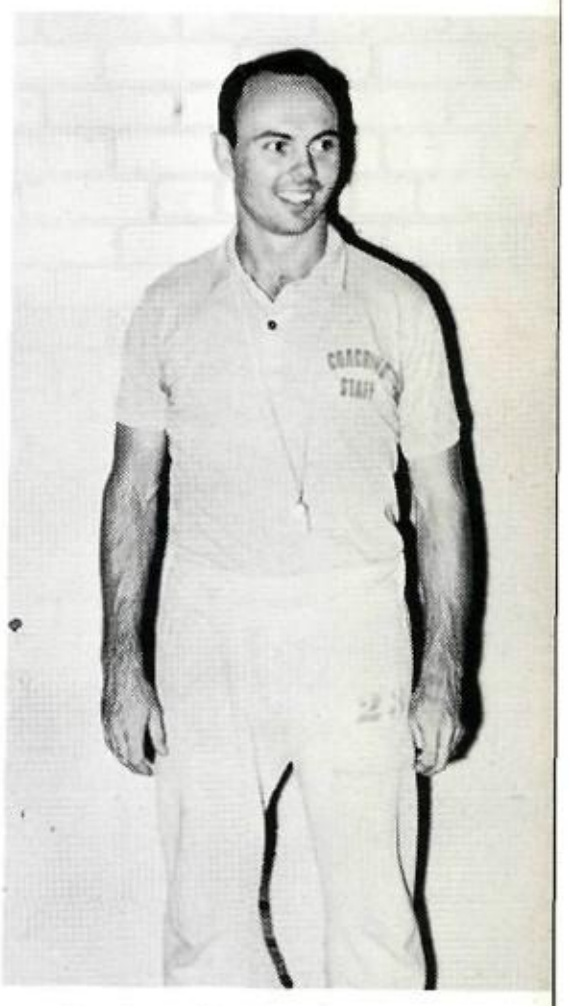
In his fourth year at MHS, Coach Buddy McKee has become a real friend to all athletes. As end coach, Mr. McKee has become invaluable on the gridiron.

Here, Coach Bill Keesee performs one of his many duties besides being offensive line coach. Mr. Keesee earned a B.S. degree at East Texas State where he also played on the football team.



Coach Dennis Smith, head B team coach, looks over the lineup before a hard day's workout. Coach Smith led his junior varsity team to a district victory.

Defensive back coach, Don Shoemake, is pictured here checking over equipment. During his second year at MHS, Coach Shoemake aided enormously in boosting the Mavs to their 4-5 season mark.



Coach Jackie Baker, assistant ninth grade coach, has done an excellent job helping Coach McNatt in the ninth grade circuit. Besides a great teacher, Coach Baker is a great coach.

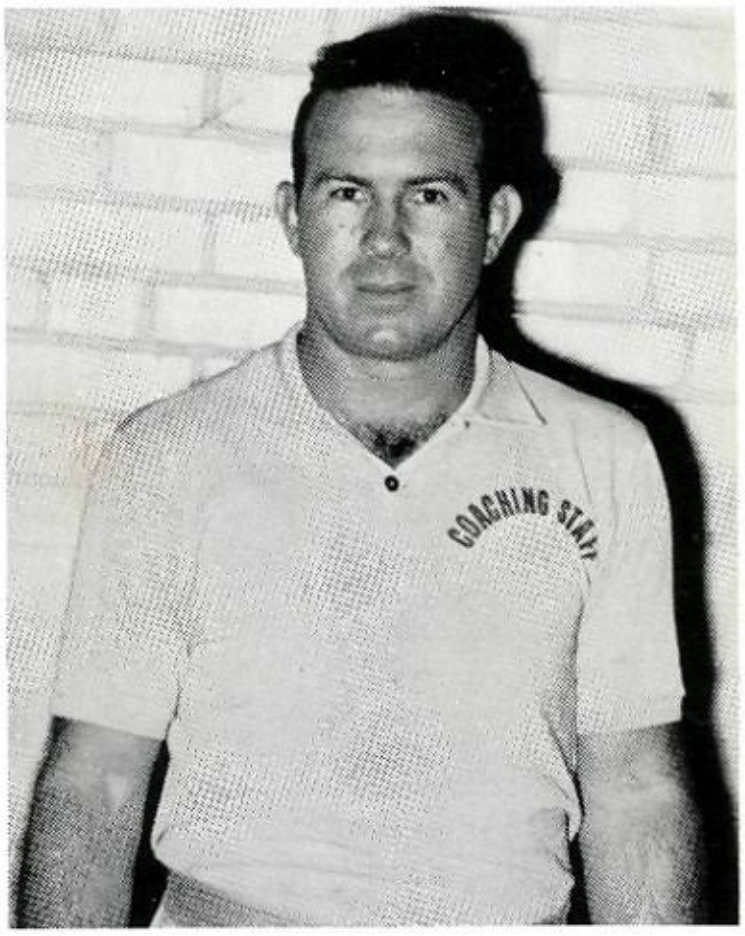
COACH RALPH BROOKS

Coach Brooks, new at Marshall this year, improved Marshall's record greatly from last year. Coach Brooks came from Pine Bluff, Ark., where he won the state championships 2 years in a row. Coach Brooks insists on Total Performance from his players and as a result, he has gained the admiration and respect of all the athletes.



COACH HAROLD TILLEY

This being Coach Tilley's second year here, he has become well-known on the gridiron as assistant head coach and defensive line coach. The improvement of this year's defense was greatly due to Coach Tilley's tough defensive coaching. Coach Tilley's fine coaching also has attributed to Marshall's having four members on the All-District Team.

FRONT ROW: Ebby Henderson, Richard Newman, Billy Morton, Prince Rawls, Chucky Spencer, Gerald Haddock, Charlie Nolan, Ronnie Clark, Jim Ethridge, Ronnie Bagley, Ronnie Brock, Gary Ray, SECOND ROW: Coach Keesee, Dan Thomas, Edmund Wood, Ronnie Bonner, Vernard Grimes, Jim Pyle, Don McLendon, Allen Peteet, Charles Cooper, Bob Paine, George Carter, Bill Foster, THIRD ROW: Coach Shoemake, Coach McKee, Tommy Asaff, Jim Bennett, Walter Brooks, Tommy Ray, Mike Beane, Don Means, Ben McBride, Ronnie Miller, Dub Lewis, Jerry Cothron, TOP ROW: Coach Tilley, Coach Brooks, Jim Todd, Ray Langner, Don McElvogue, Steve Bridger, Ronnie Hammers, Mike Evers, Perry Bonner, Richard Hadlock, Jack Graff.

The Mavs broke a 9 game losing streak before a capacity crowd of 5,000 and also gave Coach Ralph Brooks his 28th consecutive win. The first quarter remained scoreless, but Steve Bridger put Marshall on the scoreboard in the second quarter after a 3 yard plunge off right tackle. Then Carthage turned a recovered fumble into a TD early in the second half. The Mavs roared back with a 62 yard drive, putting the ball over the line with a pass from QB Don Means to end Ben McBride. A bad Maverick kickoff gave Carthage its next chance for a TD. Ronnie Clark and Perry Bonner advanced the ball down the field after the kickoff and set Bridger up for a final 28 yard dash to the goal line. Vernard Grimes closed out the scoring with his third straight PAT for the night.

Mavericks Ease by Kilgore, 6–0

When Kilgore's defense finally yielded before a capacity crowd, the Mavericks won their second game of the season which was Coach Ralph Brook's 29th straight win. The Mavs had five scoring opportunities but only once did the stingy Bulldog defense allow a TD. Two drives were halted on the ten and nine as Marshall settled for field goal efforts. Marshall reached the Kilgore three in the second period, but a fumble gave the ball back to Kilgore. The deciding play of the game came with 2:05 still left on the clock. Passes from QB Don Means to ends Jack Graff and Jim Ethridge set up Ronnie Clark for the game-deciding run. Clark plunged through a gaping hole off right tackle for the winning six points.

The Marshall Maverick defense shined against the Panthers of Fort Worth time after time, but the offense wasn't geared for going. As a result Marshall fell from the unbeaten ranks wtih a 14-0 loss. In the middle of the second quarter, with its third possession, Paschal started a 57 yard drive which needed only 11 plays to hit paydirt. Marshall's first opportunity to score came on their first possession, but was killed at Paschal's 35 by a fumble. With 2 minutes left in the first half, Mike Beane quarterbacked the club 30 yards in 9 plays, but an interception killed the effort. Opening the second half, Ronnie Clark gave Marshall another opportunity with a 35 yard kickoff return. But 4 plays later it was punting time. Opportunity really knocked when Vernard Grimes recovered a Paschal fumble and the Mavs advanced to the 1½ yard line. Two fumbles later, Paschal took over on the 7. The scoring was finished when Paschal made an interception on the Mav 15 and trotted into the end zone.

Mavs Nudge by North Side, 6-0

The Mavericks came bouncing back in the second half when Tommy Asaff lit the spark for a 40 yard drive by scrambling 40 yards back up field on the opening kick-off. Asaff was grounded on North Side's 40 and it took only 11 plays to march to the goal line. Steve Bridger went off right tackle at the 2 yard line and put the winning 6 points on the scoreboard. On the Mav's touchdown drive they didn't make the slightest sign of a bobble. However, the rest of the night was marred by mistakes. The Steers of North Side had a good TD chance when they intercepted a Maverick pass. Gerald Haddock saved the day when he hauled down the interceptor on the Mav 35. Another time the Steers recovered a fumble just 32 yards from paydirt. Luckily, Ronnie Hammers made a key tackle on a fourth-and-one situation and saved a touchdown.

The Mavs taught the Waco Richfield Rams a big lesson in defense, October 9, at the Maverick Stadium. The Rams tested Marshall's defense time after time in the first half without success, but finally reached paydirt when halfback Darnell Llosak ran 25 yards for 6 points. Llosak also racked up a broken collar bone and was out for the rest of the game. In the third quarter, the Mavs moved ahead, and Marshall's offense took possession 65 yards from the goal line. Ben McBride, junior end, caught a pass from QB Mike Beane and headed for paydirt. After running 61 yards, McBride was hauled down just inside the end zone. On the next TD Jim Ethridge caught a Ram pass in mid-air and galloped 34 yards to put Marshall ahead. The Mavs allowed only 2 more first downs on 20 plays by Richfield. Marshall was backed to the most of the first half. Neither team got within scoring territory in the last half of the bruising defensive battle.

Lufkin Lucks Out Over Mavs

The Marshall Mavericks saw a 13-point lead quickly dissolved into a 16-13 defeat as the Lufkin Panthers scrambled to a three-point victory in a district opener. The Mavericks were the principal characters for a major portion of the first half—sporting a 13-7 advantage at half-time. Lufkin quarterback-safety, Murphy, made up the difference by passing for a TD, setting up another with a screen pass, and booting two extra points. However, Marshall's domination of the first half was so one-sided that even the Lufkin fans were expecting a complete thrashing. In the first half, the Mavs gained a total of 195 yds., while Lufkin gained a total of only 84 yds. Twice in the first half, Marshall had scoring opportunities, but they were killed by a fumble and an interception. Then in the second period, quarterback Mike Beane located Gerald Haddock in the end zone for a 12-yard touchdown toss. Marshall's next touchdown came near the end of the first half with Mike Beane stepping across the goal line on a five-yard option.

Longview Spoils Mav's Homecoming, 9–7

A sixteen-yard field goal, coming right after a thirty-two yard pass interference penalty, lifted the Longview Lobos to a 9-7 verdict over the Mavericks in a dramatic defensive struggle before an overflow crowd of 6,000. Marshall had trouble the whole night operating against the big Longview forward wall, but they had a stroke of luck when Jim Ethridge recovered a Longview fumble in their end zone. The fumble occurred on a 47-yard punt from Jim Bennett. With two minutes left in the first quarter, Vernard Grimes made the count 7-0 with a kick. A punting duel and plenty of defensive action then kept the fans jittery until the Lobos finally hauled down a pass interception and quickly turned the break into a TD. Ronnie Bonner had a few objections about Longview's attempt for two extra points as he nailed Glenn Cobb short of the goal line. With two minutes left in the game, Longview quarterback, Street, sailed the high bomb which was ruled as pass interference. Longview had the best field position most of the night. Almost the whole second half was played in Maverick territory. Marshall had the ball for 44 downs while Longview owned it for 57 downs.

Rebels Ramble Over Marshall, 18-6

The Marshall Mavericks were given a show in running by a pair of Tyler Lee backs—Eric Wilcox and Jimmy Graham. Wilcox, a 195-pound fullback, gained 145 yards in 16 carries. Graham powered his way for 79 yards in 17 carries. Lee's first scoring threat was halted when Tommy Asaff intercepted a pass in the end zone. The next time the Rebels got the ball, they drove it 63 yards in thirteen plays for a touchdown with 6 minutes remaining in the half. When time ran out at the half, Marshall was on Lee's 22 after covering 47 yards in 9 plays. Lee's next touchdown opportunity came with a short punt as they took over on Marshall's 37. Nine plays later found the Rebels in Marshall's end zone. Gambling on a fourth and twelve situation, Jim Bennett threw a screen pass to Tommy Asaff but failed to net the twelve yards. The Rebels took over on Marshall's 41 and two plays later, Wilcox toted the ball 40 yards across the goal line. The lone Maverick touchdown drive was quarterbacked by DON MEANS—with three minutes left in the game. MEANS promptly hit halfback Gerald Haddock with a twenty-yard pass. Two plays later, swift Ronnie Clark dashed off right tackle for 12 yards and a first down. Two plays after this MEANS found Jackie Graff open on the 4-yd. line for a 15-yd. completion. Then Tommy Asaff, Marshall's leading rusher for the night, dashed off right tackle for the lone Mav touchdown. 1:09 left in the game.

MIKE EVERS—Tackle

Until the Mavs threw the ball away on a fumble and a pass interception late in the first half, they were in complete command of the ball game. However, Watty Myers' Tigers quickly showed their appreciation by cashing in on touchdowns both times. Except for two other mistakes which the Tigers also turned into touchdowns, the Mavs were the master as they held the upper hand in the defensive struggle. Texarkana could muster only four first downs against the tough Mav defense. Early in the game it appeared that the Mavs had a sure touchdown when Jim Ethridge recovered a blocked fumble on the Tiger 22. On the next play, Don Means pitched out but found his halfback out of position. The ball rolled to the 30 where the Tigers recovered it. Texarkana's third touchdown came in the last half when the Tigers recovered a Mav fumble on the 5 yard line. Marshall's lone touchdown came with 7:34 left on the clock as QB Mike Beane tossed a pass to End Ben McBride on the 10 yd. line. Texarkana's last touchdown came with 28 seconds left on the clock.

WALTER BROOKS—End

The Lions from John Tyler poured through the Mavericks' once proud defense as they racked up 529 yds. on offense and gained a solid 35-6 victory in the process. With the victory, the Lions also earned a co-championship in district 8-AAAA. However, since Texarkana beat the Lions, the Tigers represented the district in the play-offs.

This sound thrashing by Tyler closed out a season marked by five straight district losses. Passing dominated the game as 63 passes were attempted by both clubs combined. Passing was accomplished on both teams by sophomores. Four touchdowns were gained through passing. During the first quarter, Tyler built up a 14-0 spread. Marshall closed the gap in the second quarter to 14-6 on a screen pass from Mike Beane to halfback Tommy Asaff. Tyler came out of the dressing room at halftime and struck for a pair of quick touchdowns. The high scoring was closed out for the night as Tyler hit paydirt with 1:09 left in the game. Last half action grew especially heated when Tyler Coach Johnny Stidger drew the red flag and 15 yards when he stepped on the field to argue a call. Later, both benches cleared as a small free-for-all was staged in the middle of the field. Fortunately, order was quickly restored and play was resumed.

For the ninth win time the Mavs came through for a win by defeating the Longview Lobos by a score of 50-40. This gave the Mavs a one-game margin in the district battle. Ronnie Ward led the scoring again with 23 points, while Martin contributed 12.

MARSHALL—JOHN TYLER

In the first game of the District play, the Mavericks tossed John Tyler for a 46-35 defeat. The Mavs had trouble after hitting only 35 percent of their shots, but not as much trouble as John Tyler had. Ronnie Ward led the Mavericks in scoring with 16 points, while Jack Martin, Ronnie Hammers, and Mickey Whitis had 8 points each.

MARSHALL—LUFKIN

The Mavs came back for a second District win by defeating Lufkin in a 43-38 battle. The Mavs took the lead for the final time with 35 seconds left in the third quarter. Bob Faust led the scoring with 13 points and Ward, Martin, and Hammers contributed 8 each.

MARSHALL—TYLER LEE

The Mavs maintained a lead throughout this Tyler skirmish, as they rolled into first place in 8-AAAA with a score of 65-58. Ronnie Ward, one of the leading scorers for the Mavs this year, led the scoring with 26 points while Hammers and Martin followed with 11 points each.

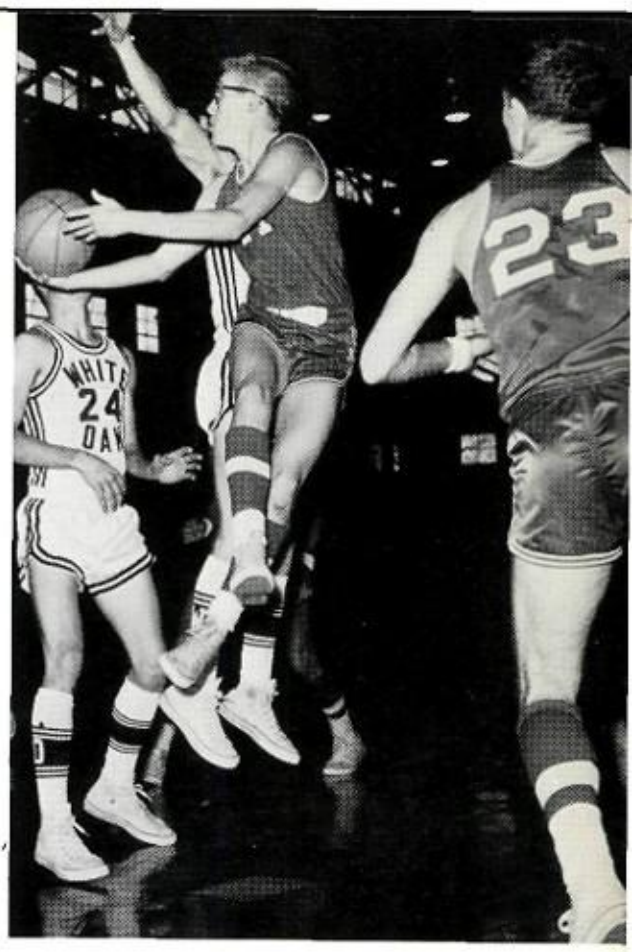
MARSHALL—JOHN TYLER

In the return battle between the Mavericks and John Tyler the Mavericks rolled to a 68-40 victory. With a slow half, the Mavs came back with a victorious 42 points in the last 16 minutes. Ronnie Ward led the Mavericks with 25 points, Whitis contributed 13, and Hammers had 10.



"Look Whitis, that's the fifth time you've put that ball in there, and it's gettin' old."

MARSHALL—LUFKIN

In the second game of the round robin District play, the Mavs ripped Lufkin for a 52-48 victory. Bob Faust gained possession of the ball with 48 seconds remaining and gave Marshall the extra 2 insurance points. Hammers led the Mavs with 15 and Ward followed closely with 13. This gave the Mavs a one game margin in District.

MARSHALL—TYLER LEE

Winning their eighth straight district victory against the Rebels, the Mavs ran their winning streak to 13. Leading the Mavs' scoring was Jack Martin with 21 points. Ward was second with 13. The Mav defense put on a good show holding the Rebels back.

Zone Honors Go to Mavs

The 1964 Maverick baseball team ended their season with almost a 50-50 record, winning eleven games and losing twelve games. The first of the season saw the Mavs losing a total of 4 out of five games to Louisiana teams, Fair Park and Byrd. In other pre-district games, the Mavericks were victorious over Carthage, Mt. Pleasant, and Hallsville. Then the Mavs lost twice in a doubleheader with the Robert E. Lee Rebels and twice to John Tyler. After a 7-8 non-league record, the Mavs stole a 4-3 decision from Texarkana in an 8-4A opener. In two non-loop games, the Mavs lost both times to Lufkin. However, the Mavs bounced back to beat the Longview Lobos twice and Texarkana one more time, making them zone champs with a perfect 4-0 zone record. Champs of the other 8-4A zone was Lufkin. Unfortunately the Mavericks lost the first two games in a best-of-three playoff, making Lufkin 8-4A champions for nine straight years.

Thanks!

Completing the Annual Maverick is a complicated and challenging task which could not be accomplished without the help of four kind and considerate men—Mr. Mark Edwin Foster, Mr. Bob Burns, Mr. Julian Barnes, and Mr. Jay Tom Holley.

To take almost 1200 pictures in one day of pandemonious picture-snapping is the effort of Mr. Foster in the early autumn. With the help of Mr. Barnes, Mr. Foster produces better-looking faces than the actual ones! Mr. Foster never tires in his efforts, and his personality is always cheerful and amiable. When the final pictures are taken—that is, the retakes of the retakes—Mr. Foster moves on to more schools to begin another series of picture-producing schedules.

Mr. Burns is the man who provides the Maverick Staff with many pictures from the Marshall News Messenger. Thanks to you, Mr. Burns, for your patient taking of school-sponsored activities and your willingly coming to school on many occasions to snap annual publicity pictures.

Celebrated photographer and well-known artist in that field, Mr. Barnes is one who deserves tribute from each Maverick. Mr. Barnes has come to the rescue of the Maverick Staff by taking pictures galore. Climbing ladders and fire escapes just to get the right angle for a shot, Mr. Barnes has always produced for us the maximum in photographic effort. More than you know, Mr. Barnes, we want to express to you our tremendous appreciation for your actions beyond the call of duty!

One of the favorites of the Annual Staffers is Mr. J. Tom Holley, the yearbook representative from Taylor Publishing Company. Much loved by all, Mr. Holley has helped us through countless emergencies and through our "simple" problems. With energy and perception, Mr. Holley guides us through the rough spots of producing a yearbook. Without you, Mr. Holley, we would probably be forced to put out an annual with autograph pages for every other page!

And so—to you, Mr. Foster, Mr. Burns, Mr. Barnes, and Mr. Holley, we express heart-felt thanks for everything you've done! With a resounding round of applause and a loud cheer of praise, we say thanks!

Jim,
I always make one friend each year that is more special than the others. I guess that among the boys I have met this year, you are my favorite. I want to wish you the best of luck always, and may God bless and keep you for the rest of your life.
Your friend Billy Stewart

Dear Jimmy,
You are a very sweet guy and lords of fun. It has been wonderful being in Chemistry with you. May all your troubles be small ones. Good Luck.

Jimmy,
I have enjoyed having chemistry with you this past year. Hope we continue to be friends.

Laura Newman

Jimmy,
It's been fun knowing you in Sr. High. I hope you always get the best in life and I wish you success in whatever you attempt. Always remember "Kork" but I still don't know what it means.
Best Wishes

Dear Jimmy,
I have only met you this year and I find that it is going to be hard to forget you. We have had loads of fun in chemistry and learned alot (a lot kind).

I hope that you will always be the wonderful person that you are. I will always remember you. Be good and stay out of trouble.

God Bless Ya,

Dear Jimmy,
It has been fun
seeing Chemi with
you. Sharon's brown
eyes too long, but
I think you have a great
guy. Good luck in
the future!
Love
Beckie Read
(Sr. '65)

A Time to Rejoice in the Completion of Another Maverick — The Maverick 1965.

Beginning in the Spring of 1964, the Staff makes plans for the 1965 MAVERICK. Finding an acceptable theme for the MAVERICK confronts the staff. With the theme in mind, the sixteen page signature is planned, laid-out, and polished. As the time passes, the MAVERICK takes shape, and in February the final touches are added. The 1965 MAVERICK comes to the end of the way, and the staff anxiously looks for the moment when it can turn through the pages of the long-awaited MAVERICK.

Dead(?) Jimmy,
I thought this
was M. Neuberg's annual,
so don't get the wrong idea.
You're a great (?) guy and all that
sort of slop. Good luck throughout your
remaining years in high school.

Bill Tenney

Jimmy,
Good Luck,
God Bless You.
Royce
Rutledge

Dear Jimmy,
Thought I'd send you
a few pennies,
hope they come in handy.
Have a nice summer.
Stop by sometime
when you're
in Richmond.

God guides all who look for guidance!
